ON TECHNICAL INFORMATION (2)

With Rev. 11:3 we start getting 2's. 2 witness-olive trees-lamp stands. As if we didn't already have 2 Eyes of Horus. 2 prophets. & with Rev. 11:8-9 we get that "great City (Pyramid-Stupa-map of Atlantis etc) whose mystical name is Sodom and Egypt (land of Ank-f-n-Khonsu) - where their Lord also was crucified (Osiris risen)." Seems crucifixion of a God is not new to Xtianity. Also 2 is Chokmah--Ajna Chakra, and also a possible solution as to how one "raises" the 3rd Eye. If you will take a detailed look at the Yogin psychic body chart you will note that the 2 leaves on each side of the "3rd Eye" bulb are marked with the same letters as the 2 leaves on each side of the Sahasrara Chakra, the Venus path Binah-Chokmah being the horizontal component (a position Venus seems to appreciate) and the Sahasrara Chakra being at the top of the Sushumna fire column in the middle of the spine as the vertical component. Certainly explains the Kundalini serpent on the Tau cross Moses raised in the desert, apparently his form of the Ankh. And another "3½ days", Rev. 11-9.

With Rev. 12 we get a lot of mythical creatures that can be variously explained & "7 Heads, 10 Horns." One is tempted to say "tin horns". So 7 Heads = 7 Chakras;

10 Horns = 10 Sepheroth. So what else is new? Maybe the fact that Koran & Kabballah come from the same source. Koran-Quran = QRN = 350 The Horn; head. Now a horn is an instrument of communication & for transmitting or receiving energy. If you had 10 of them working in synchro-mesh you would be rather formidable. Even if you only had 4. Like that far-out computer complex/Golden Alter with a bullhorn ("now hear this!") on each corner must be some raunchy broadcasting station. Or only 2. Pan only has 2. Like our Baphomet. When a certain forever-young lady of the Order recently said to me, "I've always thought of my Angel as having horns," I immediately thought of Pan-Hermes-Baphomet &, of course, Alexander (the Great, not "the Grape") and the bust showing him wearing "The Horns of Amoun." They look like conventional rams horns curled back above the ears...but in Egypt those horns would be the Feathers of Amoun. They are 2, pointing up, facing away, & thus = the 2 wings of Maat=Balance=Justice=Truth. And since Libra is blindfolded like any candidate to the Mysteries Justice-Truth obviously must have a different way of knowing than our usual rationality-monkey brain. More like a sense of direction like Cupid and His far-out Shaft of Flowers. Those feathers remind me of the upright antennae of some moths. Obviously sensing organs. But in what dimension?

As for Kabbalah = Qabalah = QBL = 132 = "to receive." Again, communication. But how to receive? Look at the words: QBL & QRN. Both begin with Q = Qoph = 100 = "back of the head" = Pisces = 2 moons connected = the feet (thus establishing a power-pole connection between the back of your head and your feet) = Eliphas Levi's Baphomet pointing at 2 moons etc. Beth = 2 = House = Magus & Lamed = 30 = Libra = Balance. So when you have reached that state of Initiate Innocence where you have with great labor balanced the male-rational-solar part of your nature with the female-lunar-intuition side you just might achieve what in Scotland has been known for centuries as "developing the second sight," the ability to see "on the astral", whatever the hell that is. If so you might start hearing voices and seeing things that are not there. If so for-gods-sake don't tell anyone. In this country you could end up spending the rest of your life committed to an insane asylum. In the old days they used to burn nice little old ladies at the stake because they couldn't tell them how they knew that certain plants were medicinal. They just knew. So keep your cool and don't be fuel

So far we have emphasized 777, but Liber D = Sepher Sepheroth & every time I # a word you are expected to check that # since Sepher Sepheroth is the ship's code book...be the first kid on your block to have a copy of The Ship's Code Book! with your very own Eye of Horus seal ring!...Ship = XN'H = 66 = "The Aleph Fish creates the Window" . & it's a far-out Code Book. Sort of like Dungeons & Dragons. You want to know about Dragons? Try 450 = ThN = The Dragon. Sounds like a big mother. Dragons = ThN'N'M = 560...& 550. Draco Magnus = ThN'N GDVL = 553 Draco = ThN'N = 504...& see 440 But what is a dragon, daddy? Well, kids, it seems that a dragon is very much like your mother (Saturn be praised) when She used to go to the beauty parlor to get Her hair curled, (shades of Medusa) because that is exactly what it means ThL' = 440 = The Great Dragon; means "curls". Cute name for a Dragon.

Or how about mountains. Want a mountain? try
 HRRI Tz'VN = 571 = The Mountains of Zion
 HR Tz'VN = 361 = The Mountain Zion
 Tz'VN = 156 = The City of the Pyramids
 (EQUINOX I 5 p. 103) = BABALON, THE
 VICTORIOUS QUEEN = Jane Wolfe's #.

OZ, as in Liber OZ = 77 = Goat
 but for
 888 = Jesus (Greek numeration) we have to
 EQUI I 5 p. 107

More next time.

NOTICE

Attention all members in
 Europe
 and
 all people in
 Europe
 who seek initiation into
 Ordo Templi Orientis!

Lola, aka Kaye,
 the Grand Secretary General of the
 Order is going to be in Europe during
 August of 1982 e.v. If you wish to be
 initiated into the Minerval Degree of
 O.T.O., do not delay, but write as
 soon as possible to: Lola de Wolfe,
 Grand Secretary General, Ordo Templi
 Orientis, P.O. Box 2303, Berkeley, CA
 94702 USA. There isn't much time to
 do this, but here's your chance.
 Her travel to and from Europe is taken
 care of, but lodging and local needs
 still have to be covered. In addition
 to setting up a series of places and
 times for initiation, the Grand Secretary
 will need places to stay — hopefully
 in the private homes of the candidates.
 Also part of this trip will be a
 start on major archive and reference
 acquisition in London. A longer time
 there would mean need for lodging for
 more time also. Any help will be very
 gratefully received.

Attention all members in
Ordo Templi Orientis!

While Lola is in Europe, she will need help meeting local costs on behalf of the Order. Grand Lodge will contribute what it can to both the travel and the microfilming; but more money is desperately needed to do this important work. We ask that all members who can afford \$2.50 and a postage stamp please send it to the Grand Secretary General: make out checks and money orders to "Kaye D. Lewis" --that's the legal name of our G.S.G. Records will be kept and any extra money will go back into the general operating fund of the Order. This has my full approval, Bill Heidrick, Grand Treasurer General, O.T.O.

HRUMACHIS CHAPTER
P.O. Box 1421
S.L.C., Ut. 84110

Do what thou wilt shall be the whole of the Law.

Greetings and Salutations from the Valley of Salt, ZION 156, wherein is concealed Our Lady Babalon! NUIT! HADIT! RA-HOOR-KHUIT!

Well, Salt Lake City is once again on the O.T.O. map! Hrumachis Chapter was Chartered as an Official body of Ordo Templi Orientis on 4/18/82 e.v. by Caliph Hymenaeus Alpha during his first visit to the area. He also Chartered two Encampments, ie: 777 Camp and Clear Light of the Void Camp.

The main purpose of the Caliphs visit was to initiate four First Degrees and six Second Degrees; so it is quite obvious that we are now experiencing a real surge of activity and energy at the present time!

Besides the visit of our Supreme and Holy King in April, 1982 e.v., our other pre-

occupation for the months of May and June are the presentation of the Rites of Eluysis. They are proceeding very beautifully; at the time of this writing, we have completed them through the Rite of Mars. Needless to say, they are affecting the local Thelemitic community in a very intense way.

Also scheduled for June (after completion of the Rites) is a Gnostic Mass, to be performed by Fr. AHAD and Sr. NIA. Also, the formation of the "Alcoholics Guild of O.T.O." This Guild will offer fraternal assistance to those members of the Order that engage in the consumption of alcoholic beverages, to the end that they may use these substances in an attitude of worship. (AL, 11:22). Anyone wishing further information on this Guild is encouraged to write Hrumachis Chapter for further information.

Love is the law, love under will.

CLEAR LIGHT OF THE VOID ENCAMPMENT
*****SALT LAKE CITY, UTAH*****
consecrated to the flourishing of
the arts

Thelemites & other terrans interested in The Clear Light of the Void would do well to assimilate Will & Ariel Durant's The Story of Civilization, Richard Miller's Bohemia: the protoculture then and now, & for insights into a kinkier mode of our will, The Symposium of Plato.

The planet is a nuclear toilet that could be flushed at any moment for any of a million reasons by any low-talent tyrant sufficiently evolved to operate the lever. We can't have that, now can we? I often curse the day I allowed R.A. Wilson to imprint the term "Immanentize the Eschaton" on my battered psyche. If indeed the eschaton is to be immanentized, there is nothing we can do to stop the Current. Immanence, properly defined, is the pervasion of the universe by the intelligent and creative principle,

a fundamental concept of Pantheism. Whereas Eschaton is apocalyptic, & apparently a subconscious & poisonously Christian racial asfixiation. In light of this, it is in our best interest to simply ignore the harpies of doom, the war-mongers & their ignorant armies, & instead, we must set out to create our own culture.

Surely the Order is not so lacking in talent & imagination, failing to recognize that the antidote to brutality is the Extension of the 'Dominion of the Will. To fight hatred on its own terms is to sink to its level. But to fight it with invention, cunning & artistry is the affirmation & triumph

of Love under Will. Moreover, to create an atmosphere wherein intelligence may increase & flourish is to loose upon the world a force that inevitably proves noxious & fatal to the Brezhnev/Reagan anal-retentive mind-set.

Nuclear tyranny must be suffocated, not necessarily by violent explosion, but rather by concious devotion to Craft, to Quality, & to Our Art & Science. If we forget the form & content of Ritual, if we misplace the structure of a fugue, then we have lost the battle by default. The paranoiac enemy within is as corrosive & deadly as the enemy without. A good novel is worth more than a battalion of M-1 tanks, & a Brahms trio will do more to win the heart & mind of man than an entire army of Nuclear Saviours.

Exceed! By All Means. But, REFINE
THY RAPTURE!!!

Good Health,
R.:Tristan XIO

O.T.O. ACQUIRES MAGICKAL RETREAT

The O.T.O. is now the co-owner of the beautiful, though rustic, magickal retreat notoriously known as "Smuggler's Cove" in conjunction with the Fraternity of the Rosy Cross. The O.T.O. graciously thanks the F.R.C. (a Sufi-rosecrucion order aspiring to the ancient origin) for this honourable donation.

True to its name, Smuggler's is an approximate one (1) acre cove located on the mouth of the Skagit River (it is actually a tip of McGlynn Island) upon which sits a "floating cabin". This land is ideal for rituals such as Liber Samech, etc., but because it is accessible only by boat, we ask that interested parties write at least two (2) weeks prior to visitation so that arrangements may be made. Send inquiries to YAKINA ENCAMPMENT, P.O. BOX 972, LA CONNER WA. 98257

STELLAR VISIONS CHAPTER REPORT

93! You may have noticed, at least we hope you did, an absence of the Chapter Report from us. We have simply been very busy.

Those of you who have been waiting so very long for your O.T.O. Collections, will be happy to hear that we've got them done up and ready for covers. Just as soon as we get new silkscreen material we will mail them off to you.

We now have 7 books in print, 2 more ready (except for covers) and 3 more at the printers.

We've done without a computer for several months now but if there is a nice surge in sales or donations (hint, hint) we'll be able to put a system together at less than half price. Now that the O.T.O. has its Federal "nonprofit religious status" we will be able to accept tax deductible donations of money or equipment earmarked for the "Cybernet Project".

The representative package is being typed at this very moment and some advance letters will be sent out this month. Thank goodness (insert Mae West quote) for Bill Heidrick's Ty-Tape Editor.

We wish to thank those that have helped us with their patronage and support. Without you we couldn't have done even this much, with your help we'll bring the O.T.O. into the 21st Century (even if we have to drag it, kickin' & screamin').

MEETS AT MY PLACE, NOT AT TEMPLE

To sentient beings on all planes:
May you never wander far from the primordial radiant light of Mahamudra, and never forget that all is contained within the diamond-body of the Lapis Philosophorum!

Camp Cheth members are presently studying an amazing hodge-podge of various initiatic systems (and non-systems!), synthesising and integrating elements by the clear light of the Qabala. We have found that a thorough study of the Collected Works of Carl Jung are of inestimable value to the practising Magician, especially Psychology of the Transference and Mysterium Coniunctionis. We are also spending much time in the study of Tantric Buddhism and its relationship to the Holy Teachings of Thelema. To prevent over-intellectualisation and to keep our lenses clean we frequently turn to the writings of Krishnamurti, that we may not fall prey to any petty perspective--a jail is a jail no matter how large or nice the surroundings!

Finally, we are preparing a room which, to our knowledge, will act as the first Thelemic Temple in Gainesville. Cheth will maintain a small office and temple, as well as a respectable library for research into the nature of the Psyche. We are always happy to act as an information transmitter, and although our time is quite limited, we shall do our best to answer all serious inquiries.

Grand Lodge Report

P.O. Box 2303
Berkeley, CA 94702
U. S. A.

Just room for a short re-cap of some useful information:

If you move, let us know a month ahead. The Magickal Link is not forwarded or returned in the USA. Also, the postal code must be exactly right.

Please check your records. We are still burried under work here and cannot send out notices of past-due dues. You will find your current degree (for initiates) and the month and year of your latest initiation on the mailing lable. For Associates, the letter "A" is followed by the expiration date of your membership.

If you ordered back issues of Newsletters, tapes or other publications from Grand Lodge, it is more than likely that you have been waiting for them for quite some time. These orders will be filled, but fighting through the Federal non-profit status cost us a lot of time that would have otherwise gone into filling orders more promptly. Time to respond to inquiries about these orders has often also been lacking. You will be contacted in the next 30 to 45 days, unless another disaster of paper hits here at GL.

Well, back to the 12-inch stack of mail. We love you, and as soon as we dig down to your letter/order or irrate and justified complaint, we will be in touch.

Stellar Visions is filling orders for their publications on a more reasonable basis.

LEATHER GUILD

A reading list for the Leather Guild is being compiled. It consists of writings by A.C. and others that combine magickal and S/M themes. If you have suggestions for the list, send publishing information, or a sharp photocopy if the item is hard to obtain, to Guild, PO Box 6, Berkeley CA 94704. The list will be made available to interested parties this fall, and should provide ideas for Guild activities.

Soror Quid Circumeit Recursit invites Guild affiliates visiting the Bay Area to visit her home for mutual instruction.

THE KNIGHT'S KORNER

Do what thou wilt shall be the whole of the law.

The following article is submitted by the Chapter Master of the Nephthys Chapter in Edmonton Canada

Perhaps you have wondered of late as to the role that the female knight must execute in the O.K.B. The knighthood is not for everyone. This point has been well established by many generations of quest. And the knight has evolved as the epitome of chivalric masculine behavior. Besides the traditional role of knighthood in the quest of agape of a fair maiden, there is the question of our sisters who are knights. Olga the Slavic Queen and Joan de Arc come to mind immediately, with Elisabeth Duccasse the famed hermaphrodite swordswoman revealing one of the secrets of the Templars.

Women who attain the mantle of knighthood obviously leave behind all traits of social femininity, replacing this with the masculine bond of brotherhood, honor and duty. Not

all women warriors or soldiers are knights, nay, not even all male warriors or soldiers are knights. But for the woman who enters on this path, the road is rigorous, for she must leave behind the safety of her sisters, calm her actions, and never enter battle in a rage. Women warriors are most effective on a field of battle, contrary

to the opinion of some. Historically, our sisters of the sword have been the most blood-thirsty, devious, and courageous bezerkers that history has ever seen. Wars, battles, fueds and the like are short lived when women gird themselves with sword. This is the difference between the woman warrior and the female knight. For the knighthood, above all, means to do battle with honor, friendship, love, and respect for your enemy and his cause. "As brothers ye shall fight" is our watchword. No bezerker's rage, so effective in quelling disputes and defending against invaders, as Queen Bodicia has shown, can be equated with the royal art of knightcraft. The sister knight must temper her rage, blind herself to her enemy as her valued friend, fast, do battle for the higher good, and then breakfast with her opponent.

Mere bloodlust, spiteful rage or other effective warrior weapons are not allowed. They are not the tools of honor.

Bodicia was a warrior-queen. Jean de Arc was a Knight of the Temple. Jean remained calm on the field of battle as she directed her forces prudently. She did not scourge her enemy, but defeated him soundly and fairly. She did all of this not for king or country. Her acts are symbols of her higher glory. She had attained to her Holy Guardian Angel.

This must ever be her task. And the task of our sisters who enter the knighthood.

While this article is addressed to the female knight, it seems appropriate to be headed by the female part of the male knight as well - Ed.

Love is the law, love under will.
